* Turnaround time is calculated in workdays excluding weekends.

* All requests submitted past 5:00 PM are calculated from the start of the next workday.

* Process Times and Average Turnaround time exclude cancelled requests and assignments that are cancelled.

*Average turnaround time for each agency excludes canceled request & assignments and does not include requests for which the agency has produced no fiscal note.

* Overall Average Turnaround does not include requests for which an agency did not release a fiscal note.

*On time percentage is calculated as: The number of fiscal notes submitted on time, divided by requests for fiscal notes, which have not been cancelled. Requests that are not due are not included in the calculation unless the agency has already submitted a fiscal note for the request.

* This report only includes fiscal notes made on official OFM requests.
